12. This is **NOT** a race or timed event. **BE SAFE!** If you are driving, observe all traffic laws and be a defensive, courteous motorist. The group will employ "road guards" and have traffic control in place in some locations; however, always expect the unexpected and drive defensively.
13. **HAVE FUN**; enjoy the ride and camaraderie with other motorcyclists participating in the event. You're riding for a great cause, and we're appreciative of you taking part.
14. This is a 3 hour ride with one (1) stop. If you must pull off, please alert a "road guard" to be sure that you are safe.

This is a scenic ride through some hills and curves and is designed for comfort and you're riding enjoyment.
